

Stop feeling alone in your marriage. Join us on this journey of becoming a wife of strength and dignity, while creating deeper connections with God, self, and others.

Marriage is a tremendous blessing, but it can also be hard. Daughters of Sarah® helps women navigate the waters of marriage in a way that's different from anything you've experienced before.

The Results:

What you take away at the end of the course will be different from, but no less powerful or important than the results of the person sitting next to you. Regardless of what your emphasis is during the course, you will be able to:

- ☞ connect with God more intimately
- ☞ deepen your relationship with your husband and children
- ☞ feel more confident
- ☞ speak the language of respect
- ☞ communicate more effectively
- ☞ listen better
- ☞ be more organized
- ☞ discover God-honoring sexuality
- ☞ think more positively
- ☞ become a woman of influence

The Feedback:

"I would encourage husbands to sign their wives up, no questions asked. It's a course that changed our lives and is worth at least five times the cost of registration." Jeremy, Covington, KY

"Daughters of Sarah® is like all the great marriage books out there rolled into a lasting experience!" Katy, Atlanta, GA

"The key learning I took away from Daughters is that when something hard comes up in any of my relationships, I need to stop and spend time with the Lord – to let Him fill me up and show me how I should react. After all, He always has the right answer!" Jill, Milford, Ohio.

The Data:

- ☞ Over 97% of participants feel the training improved their confidence.
- ☞ Over 95% feel their relationship with God improved.
- ☞ Over 93% feel their relationship with their husband improved.

Daughters of Sarah® is taught by professional trainers and attended by married women of all ages. Personalized feedback and encouragement provided every session.

Where would you like to grow?

- Experience more emotional intimacy with my husband
- Deepen my spiritual connection with God
- Learn more effective communication with others
- Increase my confidence
- Manage my home more efficiently
- Criticize others less and become more positive
- Develop better listening skills
- Worry less
- Be more encouraging to my family members
- Know greater peace and joy in God
- Understand how and why to respect my husband
- Become a better example of a successful marriage for my children
